SCCO Ministries—Providing Solutions for Shelby County

Let **Shelby County Community Outreach Home Repair** be your hands extended to those in need throughout Shelby County.

My husband and I moved from California to Harlan in 2000. We felt this was the best move we made in our 58 year marriage. Dave passed away in August of 2023. We had the pleasure of meeting some of the staff of SCCO through our church here in Harlan. Over the years we have donated and bought furniture, as well as borrowing medical equipment as my husband's health declined. The staff have cleaned out our gutters, and provided help whenever needed. Most recently, Ron and Christian designed and built a great rail from the sidewalk to my mailbox. It was getting difficult for me to get my mail without the fear of falling. As always they did a great, professional job, and I can

now get my mail safely. Every staff member of SCCO is always helpful and kind. Harlan is blessed to have SCCO to help the people of Shelby County. **L.P.—Harlan, IA**

SCCO Home Repair has done everything I have asked with quality work and a promptness that is much appreciated!

B.L.—Harlan, IA

SCCO's "Home Repair Specialists" have done a super job on the porch light a couple of weeks ago, and cleaning out the corner of our yard today. Thank you so much. **S.M.—Harlan, IA**

The most important thing about having SCCO/Home Repair here in Shelby County is that there are friendly, caring and skilled gentlemen available to do the things around my house that I can't do for myself. I feel confident and safe having them in my home, and I know I'm being helped by someone I can trust. **S.M.R. —Kirkman, IA**

Let the Testimonies Speak for Themselves

SCCO/Community Service collaborates with community-wide groups to get larger jobs accomplished; Restoring the concept of "neighboring" in Shelby County.

My yard was "a mess & a half." My trees shed branches, not just leaves. SCCO came with a group of workers and picked up all the sticks so I could mow it. They did a fabulous job! Just great! **T.J.—Harlan, IA**

SCCO/Bridging the Gap provides Solutions for families who need resources, partnering with WCCA, HUD and The Salvation Army.

SCCO helped me get a HUD application and appointment for rental assistance. I was also able to work as a Salvation Army Bell Ringer for them which supplemented my income in December. **M.S.—Harlan, IA**

SCCO helps me and my family, and it's a blessing.

SCCO/Hero's Attic provides Solutions for your used furniture and appliance needs in Shelby County

SCCO/Hero's Attic is my first stop when looking for furniture. It provides the opportunity to find good quality furniture at reasonable prices.

B.L.—Harlan, IA.

I live right across the street from Hero's Attic. I see the happiness people get from what they buy, or when I bring a friend in to look around when they did not know SCCO was here. It is amazing! It's the only place I shop. **H.P.—Harlan, IA**

SCCO helps people like us who are new to the area to get furniture at a decent price. I will check here before going a more expensive route.

G.M.—Harlan, IA

The most important thing about Hero's Attic is that it is Here in Shelby County! Fantastic stock and the people here are fabulous. Prices are just right.

J.L.K.—Persia, IA

Friendly staff, Great prices, Care given in selection. I do not shop anywhere else. They care and it shows. They are doing God's work. **J.M.—Harlan,**

What a fantastic place. Such a great facility. I'll be back! **J.R.—Atlantic, IA**
